

December Verde Shores News

There is the smell of ginger and cinnamon in the Hayward house as I bake cookies and prepare for the holidays.

The winners for our house decorating contest will be announced on December 14th at Horseshoe Park at 6:30 pm. If you would like a ride around the park to see the lights (on a golf cart) please call the office and I will make those arrangements for you. Prizes for 1st, 2nd, and 3rd places. The contest will be judged by an independent panel of judges.

Chamber toys and blankets

Our local Chamber of Commerce is collecting toys and blankets for needy children. They are now located at 119 F. Street. Make a child's Christmas a little brighter.

Emergencies

In previous newsletters I have given you Ron Snedkear's phone number for after hour emergencies and major water leaks within the park. Apparently, some of you think he can answer all your questions, make referrals, and perform magic. Ron works for Verde Shores and starts work as early as 5:30am, meaning he goes to bed about 7pm and is up about 4am. Please do not call him after 7pm or anytime on weekends unless it is an emergency.

Water leaks within your home or on your own plumbing lines, are your responsibility. I have a phone list available, in the office, with all local utilities, electricians, hardware stores, building contractors, handymen, and gardeners.

January Newsletter will be mailed to all residents as there is an annual legal notice that must be sent to all residents by February 1st. The newsletter is posted at our website no later than the 5th of each month. www.verdeshoresstates.com
