What a fantastic turnout we had for the Monique Berry Band.

Monique Berry Band

We had over 65 people attend the concert.

Saturday, July 20th, the “concert on the beach” was so much fun. It brought people together. We had a delicious BBQ and potluck picnic. Steve Hood joined the band for a solo that we all enjoyed. And thanks to Marc and Joni for the cozzies they had made for the event.

Did someone say party?

Ida and Louise Carusio invite you to join them Saturday, October 5th for a taste of Italy when they host a day of “Bocce and Bolognese” at 667 Beach Drive. The outdoor festivities start at 2pm with an antipasto and a break for fun with Bocce and then return to the tables for Bolognese promptly at 4pm. Homemade cannolis and coffee to follow. Please RSVP by September 20th. We need a solid head count to prepare properly. Call Louise at 516 859-3300 to RSVP.

Wanted everyone to have a copy of the August newsletter so I mailed copies this month. Just a reminder that newsletters are now posted at our website by the 5th of each month. Those without email will receive a copy in the mail or on their mail box. Go to: www.verdeshoresstates.com
