

Verde Shores June 2019 Newsletter

Summer is here, and we got off to a wonderful start on Memorial Day weekend. It seems the cooler weather enticed a lot more people to brave the traffic and join us at the river. The Park was full, everybody was having lots of fun, and there were no problems! Our kind of weekend. Let's keep it that way.

Beach attire: It has been brought to our attention that thong, string, and brazilian cut bikinis are offensive to many of our residents. This is a senior park. Please be mindful of this. We would like residents, family, and guests to wear a cover-up anywhere in the park except on the sandy beaches or on your boats.

Newsletter Delivery

Starting this month I will be posting the newsletter on our website at verdeshoresstates.com. Check it out. From now on the monthly newsletter will be posted there sometime during the first week of the month. If you live in the park full-time, and you do not have internet, a newsletter will be delivered to you as usual. If you have an email address and access to a computer then you will find the newsletter online on our website. Starting in July I will only be mailing or delivering a newsletters to people without a computer.

Mark Your Calendars

Saturday, July 20th at 7pm we will have a band at the beach on the grass by the flagpole. One of our neighbors has a group that does gigs all over Los Angeles and they have volunteered to come out and give us a concert. They do a little bit of everything so it should be enjoyable for all.

This will not be a park sponsored event. However, Bruce and I will supply BBQ beef for sandwiches and everyone can bring a side dish, chips and dips, other type of munchy, salad, fruit, beans, desserts, or whatever you would like. Please RSVP so we can provide enough BBQ'd beef for everyone. Bring your own drinks. We will set up tables for the food. Bring your own chairs or blankets for the concert. We will spray for mosquitoes the week before to try and alleviate that problem. **Food will be served at 5pm.**

I would ask that you please RSVP and please do so by July 10th. Please email me at blhayward669@gmail.com or call 760 326-2672. For the April BBQ fifteen people told us they were coming at the last minute. We do understand that plans change and we do plan for a few extra people. We had to scramble for more tables and chairs, and shop and make more BBQ'd beef. Then 13 people that had planned on coming and bringing food did not show up and had not called to let us know. Please reserve so that we can all have a fun, stress free day. Thank you.

Bill Ledoux will once again be organizing a raft/float from the bridge down to Verde Shores. More details will be in next month's newsletter. However, once again, this is not being sponsored by Verde Shores.

Maintenance Assistance

If you should need assistance from the maintenance crew for a park related maintenance issue, you can no longer make that request directly to the crew. You must call the office with the request and I will decide if and when we can schedule the task for you. If it is some other issue, such as your own landscaping or other project, this will be on there own time and you can hire them for the job.

Flag Pole

Our flag pole is broken. As soon as I can find a welder with a lift to get up as high as the light fixture we will fix the pole and get "Old Glory" flying again.

I want to thank everyone for the Memorial Day decorations that were placed in the front of your homes. It added a nice touch to the holiday.

*July 4th is just around the corner.
Happy Summer!*
