
VERDE SHORES NEWS

Spring Bulletin

Our Annual Yard Sale is approaching. Due to the Easter holiday on the first Saturday weekend, the date for this year is April 14th. Start getting all your “stuff” ready—let’s make this one of our biggest yet! Following will be a Spaghetti Dinner at Hal & Barb’s. More info to follow soon.

Where ‘O Where is our Gas Company?? I know it feels as though the Gas Company has forgotten us—but they assure me they have not. Schedule now is for some time late in March—you will all be notified prior to the beginning of the gas line replacement. We can expect a certain amount of inconvenience—but hopefully it will be minimal. This is a good thing folks—keeping in mind the prior tragedy in Northern California.

Our beautiful Spring time weather is just about here and those north winds have done a job on us. Those of you that are not here full time—please be sure your yard and home are cleared of leaves, dust webs and debris. Also—there are a few homes that could really use a fresh coat of paint. Please give me a call for recommendations for local painters.
